IIT ISM INDIAN INSTITUTE OF TECHNOLOGY INDIAN SCHOOL OF MINES DHANBAD

Legacy that Inspires the Future

IIT (ISM) DHANBAD

शताब्दी समृद्धि

SHATABDI SAMRIDDHI

CSR CONCLAVE 2026

Celebrating a Century of IIT (ISM) Dhanbad by Building Partnerships for Education, Innovation and Societal Impact.

A Century of Excellence. A Future of Impact.

IIT (ISM) DHANBAD | 1926 – 2026

Established in 1926 as the Indian School of Mines, IIT (ISM) Dhanbad has evolved to a premier multidisciplinary institution at the forefront of engineering, science, technology, and applied research. With a distinguished legacy in mining, minerals, petroleum, and energy, the Institute has contributed significantly to India's industrial and technological progress.

As it celebrates a century of academic excellence, IIT (ISM) Dhanbad continues to advance knowledge, foster innovation, and address emerging global challenges through interdisciplinary research and industry collaboration.

A CENTURY OF MILESTONES

1926 — A Vision Takes Shape

Established as the Indian School of Mines to strengthen India's expertise in mining and mineral education.

1967 — Academic Milestone

Granted the status of a Deemed-to-be University, marking a significant step in its academic evolution.

2016 — Joining the IIT Legacy

Upgraded to an Indian Institute of Technology, reinforcing its position among India's premier technical institutions.

2026 — Celebrating a Century

Marking 100 years of academic achievement, research, industrial engagement, and contributions to national development.

#1 IN INDIA	Mineral & Mining Engineering	*QS World University Rankings by Subject 2026*
#21 GLOBALLY	Mineral & Mining Engineering	*QS World University Rankings by Subject 2026*
#6 IN INDIA	Petroleum Engineering	*QS World University Rankings by Subject 2026*
15th IN INDIA	Overall Engineering Ranking	*NIRF Rankings 2025*

FROM KNOWLEDGE TO IMPACT. FROM RESEARCH TO REVOLUTION.

With strengths spanning mining, mineral resources, petroleum, energy, environmental science, and emerging technologies, IIT (ISM) Dhanbad offers a multidisciplinary ecosystem for research, innovation, and industry engagement.

Its commitment to translating knowledge into practical solutions creates opportunities for meaningful partnerships between academia and industry, advancing technological progress, sustainable development, and long-term societal impact.

Where Legacy Meets *Possibility*

A centenary is not merely a milestone; it is an opportunity to shape what comes next. As IIT (ISM) Dhanbad enters its next chapter, Shatabdi Samriddhi 2026 – CSR Conclave envisions a collaborative platform where corporate responsibility meets institutional capability, bringing together industry leaders and academic expertise to address pressing development priorities.

Guided by the vision of **"Celebrating a Century of IIT (ISM) Dhanbad by Building Partnerships for Education, Innovation and Societal Impact,"** the Conclave seeks to channel corporate partnerships and CSR initiatives towards meaningful, measurable, and enduring outcomes. By aligning institutional aspirations with national development priorities, it aims to contribute to the vision of **Viksit Bharat @2047** while laying the foundation for IIT (ISM) Dhanbad's next century of progress.

OUR OBJECTIVES

SYNERGISING INDUSTRY & ACADEMIA

Establishing enduring partnerships between corporate organisations and IIT (ISM) Dhanbad to advance collaborative research, strengthen academic infrastructure, and translate institutional expertise into innovative solutions for real-world challenges.

ADVANCING THE GREEN & CLEAN ENERGY TRANSITION

Leveraging IIT (ISM) Dhanbad's expertise in mining, minerals, and energy to promote sustainable technologies, encourage responsible resource utilization, and accelerate India's transition towards a cleaner, more resilient energy future.

FOSTERING INNOVATION & SOCIAL IMPACT

Mobilising CSR partnerships to expand educational opportunities, empower emerging talent through scholarships and fellowships, support transformative research, and advance impactful initiatives that address societal needs and create lasting value for communities.

BUILDING PARTNERSHIPS. SHAPING THE NEXT CENTURY.

Through purposeful collaboration between industry and academia, Shatabdi Samriddhi 2026 aspires to transform shared commitments into lasting contributions to education, innovation, sustainable development, and the vision of a Viksit Bharat.

LEADERSHIP PERSPECTIVES & A SHARED VISION

PROF. SUKUMAR MISHRA

MESSAGE FROM THE DIRECTOR

As IIT (ISM) Dhanbad celebrates a century of excellence, Shatabdi Samriddhi 2026 – CSR Conclave offers an opportunity to build meaningful partnerships between industry and academia. By fostering collaboration in education, research, innovation, and social development, we aim to translate our institutional strengths into lasting societal impact.
As we embark on our next century, we invite our corporate partners and stakeholders to join us in building a more sustainable and inclusive future.

Director
IIT (ISM) Dhanbad

MESSAGE FROM THE DEAN, ALUMNI AFFAIRS

Shatabdi Samriddhi 2026 – CSR Conclave seeks to transform corporate commitment into meaningful social impact through collaboration between industry and academia. By promoting clean energy, sustainable infrastructure, research, scholarships, and student welfare, the Conclave aims to create lasting value for society.
Together, we can empower future generations and advance inclusive and sustainable national development.

PROF. RAJEEV UPADHYAY

Dean, Alumni Affairs
IIT (ISM) Dhanbad

PROF. ALOK KUMAR DAS

MESSAGE FROM THE DEAN, INNOVATION & CORPORATE RELATIONS

Shatabdi Samriddhi 2026 – CSR Conclave provides a platform to strengthen industry–academia partnerships and translate innovative ideas into impactful solutions. By connecting corporate expertise with institutional research, technological innovation, and entrepreneurial talent, we aim to address pressing societal challenges and promote sustainable development.
Through collaborative initiatives, we aspire to build enduring partnerships that create shared value for industry, the Institute, and society.

Dean, ICR
